

Baker Industries

We are a unique 501(C) 3 nonprofit work rehabilitation program employing segments of our population who most people and organizations do not want to deal with. The teaching tool we use is real work from companies all over the Delaware Valley. Recovering substance abusers, individuals on parole, homeless persons, and people with disabilities – all learn the importance of a solid work ethic in an atmosphere that closely mirrors the work environment in the everyday marketplace. The unique difference is the awareness of and caring for each individual's special problems which Baker Industries provides.

An important part of our vision toward the future was the launching of a Capital Campaign in the summer of 2002. The objective is two-fold. First, to pay off the mortgages on our Philadelphia and Malvern properties and provide the financial muscle to pay for the transition in leadership and continuing our work rehabilitation program. Second, to begin to build an endowment to ease the demands of annual fundraising that is needed to fund our operating requirements that are not covered by the sale of our services.

Our Golf Outing is a part of our Capital Campaign.

**THANK YOU FOR
YOUR SUPPORT.**

STEPS TO INDEPENDENCE

Triumph Group, Inc., headquartered in Berwyn, Pennsylvania, is a global leader in manufacturing and overhauling aerospace structures, systems and components. Operating in 70 locations worldwide, Triumph designs, engineers, manufactures, repairs and overhauls a broad portfolio of aerostructures, aircraft components, accessories, subassemblies and systems.

Triumph consists of 47 highly specialized manufacturing companies, organized into three groups: Aerostructures, Aerospace Systems, and Aftermarket Services.

Our operations touch virtually all major players and all current and future aviation platforms. Triumph serves a broad, worldwide spectrum of the industry, including Original Equipment Manufacturers (OEMs) of commercial, regional, business and military aircraft and aircraft components, as well as commercial and regional airlines and air cargo carriers.

Triumph participates at all levels of the aerospace supply chain – from single components to complex aerostructures and their contents. Our singular ability to integrate a broad range of products and capabilities under the Triumph banner is a key competitive advantage that will become a major source of growth.

Baker Industries Mission Statement:

- **EMPLOY** those who have the most difficulty in getting and holding jobs.
- **TEACH** the work ethic through real work experience.
- **ACT** as a transition step toward outside employment.
- **HELP** those who are unable to move on reach their highest level of achievement.
